Surjit Singh, Judge (Oral)

Respondent was sent up for trial for using unfair means at an examination held by the Board of School Education. According to the prosecution allegation, he was spotted while doing copying and when it was sought to seize his answer-book, he allegedly ran away with that answer-book.

2. Prosecution examined four witnesses, who were supervising the examination. None of them stated that the respondent was found copying the answers to the questions. Therefore, no fault can be found with the order of acquittal passed by the trial Court. Hence, leave to appeal is declined. Application is dismissed.
